* Plantation drive, College campus
July the 30th, Saturday 2022

A very auspicious tree plantation programme was organised in our college today to create awareness regarding climate change and its adverse effects on us. The programme started with a prayer at around 11 o'clock as the guest of honour, Dr. T.D. Vaishnav (Principal, Govt. Gramya Bharati College, HB) arrived at the scene. A range of about 50 saplings were planted in various areas of the college campus like the periphery of the NSS garden, in front of the library, near college entrance etc. Afterwards the guest of honour gave a speech on benefits of planting trees, how it helps cleaning the environment and uses of medicinal plants. This was followed by an oath by the participants to look after and safeguard the saplings planted in the programme. The event concluded with a pledge by me and all present to plant as many trees as possible near our homes to create a healthy environment and contribute in minimizing the carbon footprint generated by us. The drive was a huge success empowering students with substantial knowledge of various plants.

"True teachers are those who help us think for ourselves" - Dr. Sarwapalli Radhakrishnam.

Teacher's day is celebrated on two different dates, on 5th September in India and 5th October worldwide. In India, it is observed on the birthday of our former president Dr. Sarwapalli Radhakrishnam. Besides being India's former president, he was a great scholar, teacher and philosopher. It is said that this day came into existence when some of his students decided to celebrate his birthday, and he said instead of celebrating his birthday, they should celebrate this day as Teachers' day and show respect to all the teachers. On this day, students around the country pay their respect and express gratitude, love and respect to their teachers and professors. Many cultural events are also organised by the students to entertain and give their teachers a day to remember. Like every year, today, Teachers' day was observed in our college with great pomp, grandeur and enthusiasm. Previously, the various departments and faculties of the college used to celebrate the day separately in a number of small and divided functions. This year, however, teachers and students gathered in the college auditorium to mark the day in unison in one single, majestic event. All departmental councils (of students) along with the NSS unit and the student union of the college came together to organise the event to acknowledge the hard work and dedication of the teachers who work day and night for the welfare of the

students. The chronology of the events in the function is as follows:

- (a) 2:30 pm (IST): Commencement of the programme, in anchors welcoming one and all present in the event.
- (b) 2:32 pm (IST): Lighting of lamp by hon'ble principal sir, Dr. T. D. Vaishnav along with various HODs and senior professors (retired and Thruurise), while a shawl song, *Sanawati vandana* "ॐ शक्ति म्" as a tribute to the goddess symbolizing knowledge and wisdom.
- (c) 2:35 pm (IST): Garlanding of the portrait of the great educationist and philosopher, Dr. S. Radhakrishnan.
- (d) 2:36 pm (IST): Formal welcome of all the teachers by presenting them bouquets of fresh seasonal flowers, husk coconuts (अमृत) and pens (list on the following page).
- (e) 2:45 pm (IST): Welcome song sung in honour of the teachers by Tapshurani, Priyanshi and Ujala.
- (f) 2:48 pm (IST): Expression of gratitude, regard and love towards teachers by students in the form of speeches, poems, songs etc.; commendable among them; (i) Bharti Sharmah (BA IIIrd year); Durika Kaurant (BSc IIIrd year) and Sonam Shrivastava (BSc Ist year).
- (g) 3:00 pm (IST): Address by Ashok Mishra sir (Librarian) with focus on the maximum utilization of library's resources and involvement in N-IST (e-library service).
- (h) 3:10 pm (IST): Speech by Ditya Chandra sir (Zoology dept) on the importance of good teachers and how they play a vital role in the building process of a great nation.

"Education is not the filling of a pail, but the lighting of a fire." - William Butler Yeats (Irish poet).
Being liberal is important. Recognizing this, UNESCO declared 8th December as the International Literacy Day in 1966 and since then, it is celebrated worldwide annually. Our college, following this tradition, marked the occasion with great fervor and enthusiasm under the name 'Transferring literacy learning space'. An initiative in this regard was organized by the college's NSS unit to spread the message of the importance and need of education. Fr. A. Subish Pandey (Program Officer, NSS), being the in-charge of the unit, delivered a phenomenal speech reminding everyone that literacy is a matter of dignity and human rights. He made the students aware that literacy is the prime requisite for learning and plays a vital role in enabling poverty, establishing gender impartiality, raising awareness about various social and national initiatives ultimately promoting and promising a bright growth for the future. By giving an insight into the statistics of the current status of world literacy, he motivated students of the stage that need to be taken towards raising the literacy rate. He depicted all the possible actions taken by the UN towards making education accessible to all. He also explicated the value of reading books as a means of learning while reminding students of the benefits of reading as a whole (Brain, mental vocabulary improvement, empathy and moral improvement, to name a few). He concluded his address by appealing everyone present in the hall to take initiatives in raising literacy in their own little way.

*** N.S.S. Foundation Day, College campus**
 24th of September, 2022; Saturday.

"Service to others is the rent you pay for your room here on Earth" - Muhammad Ali (professional boxer)

The National Service Scheme (NSS) is a public service program conducted by the Ministry of youth affairs and sports. It is an extension of activities for students pursuing higher education to increase their participation in community service, in addition to their curriculum. It was officially launched on September 24th, 1969, in the birth centenary year of Mahatma Gandhi by the then union education minister Dr. V.K.R.V. Rao (later called 'the father of NSS') in 37 universities, covering all states of India having approximately 40,000 volunteers. Since then, it is observed as NSS Day across the nation. The NSS units of our college commemorated the 53rd foundation day of NSS today by putting together an orientation cum induction programme at the college auditorium and NSS garden. The program, headed by the respective programme officers of boys and girls units Prof. Akhilesh Pandey and Mr. Anjali Kumar was witnessed by more than a hundred students along with a bunch of college faculties (teachers). The event commenced with lamp lighting ceremony and Dhanu-ati namadana followed by a tribute to the ideal of NSS, Durani Nivkamanada (with flowers and tilak). This was followed by a formal welcome of all distinguished senior volunteers and teachers by presenting them bouquets and NSS badges. This was preceded by a presentation on all the ongoing and upcoming activities in the current academic session (annual report) (सत्रिक प्रतिवेदन) by Akhilesh Pandey sir. He also addressed

the audience about the value of NSS in a student's life and appealed to the volunteers to relate their learning experiences towards finding solutions to various problems around them all while encouraging them to work for the betterment of the college and society in general throughout their lives. Following this, the assembly observed a string of volunteers highlighting various aspects of the scheme viz. its history, formation, current set-up, its aims, objectives and philosophy; meaning of its badge, logo and motto; certification programmes in NSS; special camps at college, state and national levels etc. Afterwards, the assembly was addressed by former program officer of girls unit (now retired) D. Shalja Shakur who shared her experience as a program officer during her tenure. She also highlighted the importance of selfless service and appealed to the volunteers to engage themselves in constructive social work which their personality. Afterwhile, the stage was held by Satya Sharma who went down the microphone to recall his own days as a NSS volunteer and how it helped in refining his personality. He also lauded the role of NSS volunteers in spreading awareness among the masses on various issues, especially during the COVID-19 pandemic. This marked the end of indoor activities and after a brief snack break, all volunteers proceeded to do 'Shramdam' by helping in cleaning the NSS garden in college campus. The celebrations concluded with the introduction and playing of different NSS games (गुल्लू खेल) where everyone participated after the day's diligent physical and mental labour. Pooja Akhlish Pandey officially concluded the celebrations with a vote of thanks to me and all present during the course of the events, making it a successful

National 'Unity' day celebrations, 'Run for unity and national unity day' pledge; College campus; 31st of October, 2022.

The college celebrated 'national unity day' today to commemorate the 147th birth anniversary of the iron man of India, the 1st home minister and deputy prime minister of our nation, Dardar Vallabhbhai Patel (an ace politician, a dome fighter and one of the founding fathers of the republic of India) with patriotic fervour, gaiety and observance to acknowledge and honour his indomitable spirit and unwavering commitment towards national political integrity. In an effort to strengthen the link between unity and unification, a special assembly was called upon in the college main building for a pledge ceremony. Commencing the event Akhilush Pandey sir addressed the audience appraising them about the illustrious life of the iron man, all while reiterating the innate toughness and adaptability of our country. Afterwards, the oath was administered by Ms. Anjali Shrivastava where the teachers and students present in the event took the 'राष्ट्रीय एकता दिवस शपथ' to withstand the great threats to the country's security, integrity and stability. In view of this, a 'run for unity' was also organised to mark the occasion in a befitting manner. Flagged off by the NSS programme officers, around 200 students enthusiastically participated in a short rally marathon around the premises of college. With the progress of the run, as chorus went up as shouts of "राष्ट्रीय एकता अमर रहे!" resounded, the spirited message for a cohesive and unified India spread among the fellow mates and common folk alike. The activities, conducted under the aegis of the college's NSS units, carried the message of 'unity in diversity', permeating the youth with values stimulated by the knowledge and respect about the country's diverse legacy. The short yet significant programme etched the spirit of unity amongst all.

* Programme on C.P.R. (First aid)
(Cardiopulmonary resuscitation); College campus
(auditorium); 10th of November, 2022; Thursday

A one-day awareness/training programme/workshop on first aid and CPR (Cardiopulmonary resuscitation) was organised by the Indian youth and sports society, GGBC, HB unit (08KORBA06) today in collaboration with JIFSA (St. Joseph's International First Aid and Safety Academy) to better equip students as well as college staff to help people during accidents and unforeseen medical emergencies. The session commenced with a basic introduction of first aid (its value, principles, aims and objectives, challenges, complications etc) by the main resource person Mr. Basant Parill (First aid trainer, JIFSA) who went on to speak about various techniques of handling victims in case of accidents and other calamities according to their age, nature and severity of injuries, the medical complications involved in a particular case and the resources readily available for administering first aid. This was followed by acquainting the participants with amendments made in the Motor Vehicle Act, 1988 (Section 134) (which mandates that people who are not willing to produce themselves as witnesses of accidents cannot be forced to do so), good samaritan law, chain of survival, essentials of transferring a victim to a hospital, and fundamentals of Basic Life Support (BLS). Afterwards, he methodically demonstrated the technique of CPR using a medical dummy. The programme concluded with the thank you address of Dr. I.K. Kaushik (principal in-charge, GGBC, HB) who said that the skill of first aid is cardinal for everybody and accentuated on learning it to be able to render help to people in times of need. He also expressed his contentment and complimented the organising committee for putting together such a beneficial programme to aid people in medical emergencies.
