7.3.1: Portray the performance of the Institution in one area distinctive to its priority and thrust

The one area distinctive to its priority and thrust is imparting of 12 PG level programmes in this remote and rural area at very low cost since 1995-96. Hardibazar is a gram panchayat, newly declared Tehsil under Korba District C.G. The peculiar feature of its population is the higher percentage of ST, OBC and SC population residing here as compared to the general category. The youth from adjoining rural area such as Raliya, Bhilaibazar, Utarda, Boieda, Nunera, Saraisingar, Malgoan, Jorhadabari etc. get enrolled in this college. With its meagre resource, the college strives to shoulder immense responsibility. The unique in a radius of about 20 km, post graduate programmes in arts, science and commerce are available for both girls and boys. The college tries to provide higher education and develop overall personality of its students with the lowest tuition costs. The institute duly follows the academic calendar using pedagogy and curriculum enriched with various methodology. The college interacts with its beneficiaries and academic bodies for the elective implementation of curriculum.

Academic flexibility is ensured by providing various combination of subjects to the students of science, Arts, Commerce at UG level along with PG in Hindi, English, Geography, Economics, Political Science & Sociology, Botany, Chemistry, Geology, Mathematics, Physics & Zoology. PG programme in field of Geology is one of the special and distinctive feature of this college. This programme is available only in this college in whole of the university. This programme is very important for this area because the biggest coal mines are situated here. The students studying in this PG courses often get rank in the university merit list. The college is strongly committed towards the development of youth and the history and culture of Hardibazar town.

Over all development of students is a priority of college staff and administration. Apart from imparting knowledge of these subjects, the qualified, experienced and dedicated teachers appointed here are well prepared to provide education through both online and offline mode. The administration as well as faculty makes update and upgrade their teaching methods. The college campus is enabled with Wi-fi through broadband connectivity, which faculty as well as students use regularly to access e-content. There are more than 20,000 books in the college library and the library has N-list facility for the students and faculty. Gender inclusive education is an important part of inclusive education, which can be seen at college. Percentage of girl students has increased since last five years. More than 90% students are from SC, ST and OBC category.

Thus, inclusive education for students of economically weak sections, students from remote areas, tribal areas, is the hallmark of education provided by Government Gramya Bharti College, Hardibazar, Korba. We are providing best education to all the students within the available resources. It has become a great responsibility of this old reputed institution to serve the society of this area. The students under the guidance of the qualified teaching faculty of the institution are able to achieve academic excellence and employment in various fields. During the course of programmes, the college mentors the students adhering to the core values and vision of the institute and makes them competent enough to gain knowledge and confidence.

Report on Performance of The Institution In One Area
Distinctive to its Priority and Thrust

The one area distinctive to its priority and thrust is importing of 12 PG level Programmes in this remote rural-tribal area at very low cost since 1995-96. This fact is distinctive because of the following reasons:

- The college is situated in a gram panchayat, Hardibazar. There is no college in nearby locality for higher education.
- Most of the students belong to SC(19%), ST (35%), OBC (42%) category. Round about 2/3 students are female.
- These students belong to very low income ground. They are unable to go outside for higher studies. They might have left studies if this institute had not provided higher education.
- PG programme in Geology is available only in this college in the whole of the university. This programme has great scope because the biggest coalmines of Asia are situated here.
- The students of PG programmes often get rank in the university merit list.
- The fees structure of PG programmes is very low. Most of the PG students get scholarship from the state govt. There fee is compensated by getting scholarship.

- Most of the senior teachers are Ph.D. in their subjects. Two teachers are research guides. One teacher has presented papers in China.
- One former teacher of this college Prof. A.D.N. Vajpayee has served as a Vice-Chancellor in four universities. Presently he is VC of Atal Bihari Vajpayee University Bilaspur (C G).
- Founder of the college Sri Bodh Ram Kanwar is one of the great philanthropists. He has been elected MLA for seven times. He is known as 'Gandhi Jee' of the state. He takes great interest in college activities even today.
- One of the Asstt. Professors of the college, Dr. Shailja Thakur, Asstt. Prof. Political Science, is also a film actress. She is a renowned theatrical artist of the folk song & dance called 'Kari' and 'Chandaini-Gonda'.
